

## Welcome !

Mille Roses was brought back to life in 1999, when Sophie and David completely renovated the estate.  
 « Our vineyard, which produces Margaux and Haut-Médoc appellations, is located in Southern Médoc, close to Bordeaux. It lies between the famous Château Cantemerle and Giscours, two « Grands Crus Classés ». Since 2010, we have adopted **organic production** for the all of the estate : we no longer use chemical pesticides or herbicides. We believe that a rich and well-balanced wine with a personal identity comes first and foremost from its « terroir » »
